Dear Frank

I wanted to thank you for all you've done in ensuring that the new NH law prohibiting the teaching of racism in our schools is honored. Your new website addition for parents to report concerns is exactly what NH parents needed!

I am the chair of Northwood GOP and we have been investigating CRT in our school and were concerned with what we found. We are very happy with the new law and sent a flyer with information on it to everyone in our town. We also created a hotline for our town to report concerns. Your website is far better and so much more efficient and effective. Thank you!

I was extremely disappointed to see Sununu discourage your work and outreach with NH parents. Unfortunately Sununu has been a disappointment for quite some time.

We would love to have you speak with our group anytime and especially if you are running for governor! (Hint...hint)

Thanks again for all hard work for NH children!
